Pursuant to several recent telephone conversations with
Examiner, Applicant herewith submits a Terminal Disclaimer with
respect to Applicant's prior patent No. 4,692,667.

To cover the fee for the Terminal Disclaimer, a check
(#4914) for \$110.00 is enclosed herewith.

Otherwise, to place the application in condition for
allowance, Applicant provides additional amendments as follows:

Claims 67-71 are cancelled, thereby to obviate Examiner's
"112" rejections of those claims.

Also, to prevent a possible obviousness-type double
patenting rejection of a planned continuing application based
on the specification of instant application, Applicant cancels
claims 82, 95 and 97.
